Who is eligible to enroll?

All Domestic undergraduate and graduate students enrolled in 3 or more credit hours and PhD or Doctoral Program students enrolled in a doctoral program taking 1 credit hour are eligible to enroll in this insurance plan on a voluntary basis. Visiting faculty, OPT students and scholars on an F-1 or J-1 visa are eligible to enroll in this insurance plan on a voluntary basis. All INTO students and International students with a F1 or J1 visa status are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished. Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse or Domestic Partner and dependent children under 26 years of age. Home study and correspondence courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of this Certificate.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Healthiest You: 24/7 Doctor Access

Starting on the effective date of your policy, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service. By calling the toll-free number listed on the front of your medical ID card or visiting [www.telehealth4students.com](http://www.telehealth4students.com), you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor’s office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor’s office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*If you are an Insured under this insurance Plan, and you call prior to the plan effective date, you will be charged a $40 service fee before being connected to a board-certified physician.

NurseLine and Student Assistance: 24/7 Access to Nurse and Counseling Support

Insureds have immediate access to nurse advice and counseling support 24 hours a day by calling the toll-free number listed on their medical ID card. NurseLine is staffed by both English and Spanish speaking Registered Nurses who can provide health information, support, and guidance on when to seek medical care. The Student Assistance Program coordinates services using a network of resources. Services available include financial and legal advice, as well as mediation. Counseling is also available by Licensed Clinicians who can provide insureds with someone to talk to when everyday issues become overwhelming. Translation services are available in over 170 languages for most services. Insureds also have access to [LiveAndWorkWell.com](http://LiveAndWorkWell.com) where they can take health risk assessments, use health estimators to calculate things like their target heart rate and BMI, and participate in personalized self-help programs.

More information about these services is available by logging into My Account at [www.uhcsr.com/MyAccount](http://www.uhcsr.com/MyAccount).

BetterHelp: 24/7 Online Counselor Access

Starting on the effective date of your policy, you have access to Psychologists (PhD / PsyD), Marriage and family therapists (LMFT), Clinical Social Workers (LCSW) and Licensed Professional Counselors (LPC) through BetterHelp, a national virtual counseling service. These professional licensed counselors will be available to you via ongoing text communications, live chat, phone, video or groupinars.

When you first visit the counseling website, you will be asked to complete a questionnaire that will request your UHCSR insurance information on your ID card, emergency contacts and your goals for accessing the service. The questionnaire will also ask you for counselor preferences (gender, specialty, etc.) to ensure you are matched with a practitioner that can help you meet your goals. Within 24 hour after completing the questionnaire, you will be contacted by a counselor to schedule an appointment and decide on a communication method that best suits your needs.

As an insured with StudentResources, there is no consultation fee for this service. Every communication with a BetterHelp counselor is covered 100% during your policy period.
