2019-2020 Student Injury and Sickness Insurance Plan

For George Mason University

The George Mason University student health insurance plan (SHIP) will be administered by UnitedHealthcare Student Resources for the 2019–2020 plan year.

UHCSR offers a medical and prescription drug insurance plan to GMU students. Using this plan, and the Preferred Providers of the UHC network, can help you save money when you seek medical care and when you need to fill a prescription. Coverage is also available for your dependents.

Your school’s student health insurance plan offers convenient access to physicians and various resources at the touch of your fingertips.

Health care costs can be very high, so having insurance coverage for emergency and nonemergency medical services in the area where you will attend school is very important. Carefully compare SHIP benefits and provider network (UnitedHealthcare Choice Plus Network) with the benefits and provider network of any alternate plan you may be considering.

For more information, go to www.uhcsr.com/GMU to check out your school’s certificate/benefits flier or call 866-364-4826.
Because this plan is tailored for our students, it’s geared to work hand-in-hand with the Student Health Center.

UnitedHealthcare StudentResources offers a variety of value-added services to plan members in addition to our student injury and sickness insurance plans.

We offer BetterHelp, HealthiestYou, UnitedHealthcare Global, Psych Hub and several web-based services.
